

## PROGRAM PROJECT ANALYSIS

### TV KCN MUSIC 2

TV KCN MUSIC 2 is broadcasted via satellite Eutelsat W2. Also, contracts are signed with numerous cable operators in Serbia, as well as with cable systems in Montenegro, Bosnia and Herzegovina, Croatia, Bulgaria and some countries of Western Europe.

As suggested in the title, KCN MUSIC entails only music content and music shows. Most of the music content are the greatest hits dating from former Yugoslavia and folk music which never loses its appeal.
